**John Burbage of Ocean View, with Delaware's new state-record cobia, which weighed 79 pounds, 6.4 ounces, and was caught off Bethany**

**LEWES** – DNREC’s Division of Fish & Wildlife has confirmed a new state record in the Delaware Sport Fishing Tournament: a 79-pound, 6.4-ounce cobia, caught in the Atlantic Ocean on Aug. 10 by John Burbage of Ocean View. The fish was 56½ inches long and had a girth of 28¼ inches.

Burbage was fishing alone about a mile and a half off the Bethany coast when he caught the record fish. He hooked the cobia by sight casting a whole Atlantic menhaden (bunker) and fought the fish for an hour and 10 minutes before finally landing his trophy.

The record catch was weighed at Hook’em & Cook’em, an official Delaware Sport Fishing Tournament weigh station near Rehoboth Beach, and confirmed by Fish & Wildlife Natural Resources Police officers Sr. Corporal Oran White and Officer First Class Timothy Koebel.
